4.1.3 The Vice-Chancellor will approve and sign each Jointly-Badged Award Agreement and the seal of each institution will be affixed to the Agreement.

4.1.4 The rules, policies and procedures of each university will apply to the conduct of their own units. The rules of progression will be those of the Enrolling University.

4.1.5 All graduates of a Jointly-Badged Award will be issued with a Testamur that is jointly-badged with the crests of all participating institutions, as described in the Agreement.

4.2 The Jointly-Badged Award Model

4.2.1 Students will enrol in a “home” institution (the Enrolling University) which will issue graduates with a jointly-badged Testamur.

4.2.2 The procedure for determining the Enrolling University will be established in the Agreement.

4.2.3 Where a University is not the Enrolling University, students shall conduct their study by cross-institutional enrolment according to the conditions of the Enrolling University – this applies to all participating institutions.

4.2.4 The Enrolling University will issue appropriate certification under the rules of that University. Such certification shall have the seal affixed from the Enrolling University but must include the crest of each of the Parties.

4.2.5 The Testamur must include a notation that the approved course was a Jointly Badged Award Program with the other parties.

4.2.6 Participating institutions will be equally badged in alphabetical order on the Testamur.
